BANK HIRES BUSINESS DEVELOPMENT OFFICER

Locally-based Town & Country Bank has hired former realtor Wendy Holt as a business development officer. Ms. Holt will focus on expanding the customer base of the bank. Bruce Jensen, President and CEO of Town & Country says, "As a successful realtor in the community, Wendy is highly respected and has a large circle of contacts that will be key to growing our clientele."

Town & Country recently hired additional lenders and opened a loan production office to accommodate robust borrowing demand. "Deposits fuel our ability to lend," Jensen adds, "and it is my belief that Wendy will help us attract plenty of deposits to keep pace with our flourishing loan business. She is vibrant, energetic and production-oriented."

Ms. Holt has been a local realtor for 14 year as partner with her husband, Danny. Her prior experience includes ownership and management of a medical billing agency.
